FOUR SHORES. ONE TABLE.

Greece • Levant • Spain • Portugal

My idea of luxury? A table full of beautiful food, a little taste of different cultures, great company and someone saying, “Go on, have some more!” Inspired by Greece, the Levant, Spain and Portugal, my cooking celebrates Mediterranean generosity. Because the best meals aren’t measured in tiny portions, but in the stories shared, the plates passed around and the people brought closer together.

THE WAY WE GATHER

THE ART OF THE BUFFET	IN THE HEART OF THE TABLE	THE PLATED EXPERIENCE
A beautiful spread of Mediterranean flavours, thoughtfully prepared for guests to explore at their own pace. Ideal for relaxed gatherings and celebrations.	My signature sharing experience. Generous dishes are brought to the centre of the table in Portuguese ceramic platters, inviting everyone to reach, pass, taste and connect. The spirit behind Four Shores. One Table.	For a more traditional dining style, each main course is individually plated and presented with care. Available for groups of up to 10 guests for the main course.
